A high school level skills camp intended to get them ready for the high school season.

SSC's winter skills camp is intended for high school age level players, both boys and girls. The camp will focus on the most exciting aspects of the game: creating chances and the art of finishing. This is not just for forwards or strikers - it is intended for any field player who wants to improve their attacking skills. Small group sessions are set up to challenge individuals in fast-paced, repetitive game situations, where attacking players need to excel:

- Proper technique of right & left foot shooting
- First time & two-touch shots from distance
- Receiving with back to goal, turning & finishing
- 1 v 1 to goal technique
- Side volleys & half volleys
- Curving shots and chipping balls
- 1 v 1s, 2 v 1s, 2 v 2s, 3 v 3s and small-sided games
